# Marine Biology Workshops

February 10 -12, 2012

## Marine Explorations For Families:

Experience hands-on, marine biology in a fun family atmosphere. You will explore many types of local marine life, from plankton to marine mammals, through guided field trips to local beaches, nature walks, interactive labs, and boat trips.

## Details for Participants:

The cost of this workshop is \$228.45 per youth (18 and under), and \$255.33 per adult. This includes all instructional and boat fees, as well as meals throughout the workshop.

Accommodations on site (4 beds per room) can be provided for the additional cost of \$120.96 per night. Prices include 12% HST.

## The not-so-fine print:

- Minimum enrollment in this workshop is 12, maximum 24.
- Deposit of 50% of final cost is required by January 15th, 2012 to secure your space.
