

# Coastal Biodiversity Youth Forum

August 14-18, 2012

## Celebrate coastal biodiversity at the Bamfield Marine Sciences Centre!

Discover the amazing species diversity of our local marine and terrestrial habitats through field trips, labs, and workshops. Explore the forests, beaches and waters of Barkley Sound. Work closely with marine biologists while gaining valuable skills and work experience hours.

### Application Requirements:

Grade 11 and 12 students are encouraged to apply. Send a cover letter, resume, and reference letter to [youth@bms.bc.ca](mailto:youth@bms.bc.ca)

### Applications Due June 15, 2012

### Program Cost:

\$625 includes all activities, meals and accommodation for three full days and two half days. Price includes 12% HST. Bursaries are available for students that demonstrate financial need.
