

Bamfield Marine Sciences Centre

Canada's premier coastal marine facility for teaching and research

February 4-7, 2012

Celebrate coastal biodiversity!

Discover the amazing species diversity of our local marine and terrestrial habitats through field trips, labs, and workshops. Explore the forests, beaches and waters of Barkley Sound. Work closely with marine biologists while gaining valuable skills and work experience hours.

Grade 11 and 12 students are encouraged to apply.

To apply:

Send a cover letter, resume, and reference letter to youth@bms.bc.ca

Applications Due January 6, 2012

Program Cost:

\$420 includes all activities, meals and accommodation for two full days and two half days. Bursaries are available for students that demonstrate financial need.
